Authorised Officer:

Kate Bentley

Director of Planning and Building Control

Date: 8 September 2025

## Conditions of the Road Closure Order

### The promoter must:

1. Maintain public liability insurance cover of £10,000,000 for any incident, number of incidents unlimited in connection with the holding of the event on the above roads;
2. Erect, place and remove all barriers and signs as per the agreed traffic management plan;
3. Obtain any consent from DfI Roads for the placing of any form of structure or equipment on the public road;
4. Be available before, during and after the event so that they can be contacted by the relevant authority;
5. Provide stewards to marshal the special event;
6. Maintain pedestrian access to all premises on or accessible from the road(s) on which the special event is taking place;
7. Maintain local resident vehicle access to their homes
8. Keep access clear at all times for all emergency vehicles including vehicles operated by or on behalf of the Northern Ireland Ambulance Service during the special event;
9. Remove all objects on the road and/or material deposited during the event. The promoter is also expected to remove any litter from the site after the event. If the promoter fails to comply, Belfast City Council will arrange cleaning and charge the cost to the promoter;
10. Pay all costs associated with making good any damage to the road or any street furniture, including damage to any alternative route for diverted traffic, that occur for reasons of making the Order;
11. Accept that failure to comply with any of these conditions may impact the success of any future applications.
